<p style="text-align: right;">58</p> <p>1 exhibit. Okay?</p> <p>2 A. (Nodding).</p> <p>3 Q. The first bullet point says, "Dosing</p> <p>4 emerged as the most critical issue."</p> <p>5 Was that what you remember as well?</p> <p>6 A. I recall there was a lot of discussion on</p> <p>7 the different options which had different doses.</p> <p>8 Q. Do you know why Option 2 appeared</p> <p>9 confusing to some CTRB members?</p> <p>10 A. I do not recall.</p> <p>11 Q. Do you know why commercial</p> <p>12 representatives were not in favor of a 240 milligram</p> <p>13 dose vis-a-vis the marketing strategy of a</p> <p>14 720 milligrams dose under development for psoriasis?</p> <p>15 A. No, because their favorite dose contained</p> <p>16 480 mgs per day.</p> <p>17 Q. Do you remember why regulatory</p> <p>18 representatives were concerned that bypassing a</p> <p>19 240 milligram dose might raise questions with</p> <p>20 regulatory agency reviewers?</p> <p>21 A. No, I do not recall.</p> <p>22 Q. Do you know if and why research</p> <p>23 representatives felt that a true dose ranging study</p> <p>24 was only reflected in Option 3 or possibly adding a</p> <p>25 120 milligram arm onto Option 1?</p>	<p style="text-align: right;">59</p> <p>1 A. No, I do not recall. Long time ago.</p> <p>2 Q. Was it within Dr. O'Neill's discretion to</p> <p>3 decide which doses were included in the Phase IIb</p> <p>4 study?</p> <p>5 A. Could you define how you are saying</p> <p>6 "discretion"?</p> <p>7 Q. Did he have a say-so? Was it his</p> <p>8 decision?</p> <p>9 A. I would say it was not only his decision.</p> <p>10 Q. Would the same be true for a Phase III</p> <p>11 study? It was not his -- it -- the -- the decision</p> <p>12 of which doses to be included in the Phase III study</p> <p>13 was not solely Dr. O'Neill's decision; is that</p> <p>14 correct?</p> <p>15 A. I think that there is a difference in</p> <p>16 Phase II and Phase III in how study design is</p> <p>17 approached, so is it solely Dr. O'Neill's decision?</p> <p>18 No, but I would also say that he has more of an</p> <p>19 influence in Phase III on that front than he would</p> <p>20 in a -- in this Phase II.</p> <p>21 Q. So would it be fair to say that the</p> <p>22 ultimate dose selection was subject to approval by</p> <p>23 the CTRB and other management at Biogen, then?</p> <p>24 MR. FLIBBERT: Objection to form.</p> <p>25 BY MS. SPIEGEL:</p>
<p style="text-align: right;">60</p> <p>1 Q. Was dose selection subject to approval by</p> <p>2 the CTRB and other management at Biogen?</p> <p>3 MR. FLIBBERT: Same objection.</p> <p>4 (Pause)</p> <p>5 BY MS. SPIEGEL:</p> <p>6 Q. Did the CTRB and other management at</p> <p>7 Biogen have the final decision as to which doses</p> <p>8 were to be included in clinical trials for MS?</p> <p>9 A. I don't know who made those decisions --</p> <p>10 Q. Okay.</p> <p>11 A. -- or who had the authority to make all</p> <p>12 of those decisions.</p> <p>13 Q. In the fourth bullet point, it says, "BID</p> <p>14 dosing was discussed, and it was thought that this</p> <p>15 dosing regimen was beneficial on many different</p> <p>16 levels."</p> <p>17 Do you remember any of the beneficial aspects</p> <p>18 of BID dosing that was discussed?</p> <p>19 A. No, I do not.</p> <p>20 Q. So despite the fact that BID dosing was</p> <p>21 discussed and thought beneficial, there was no BID</p> <p>22 dosing included in the Phase IIb study, correct?</p> <p>23 A. That is correct.</p> <p>24 Q. And Option 3 was ultimately approved for</p> <p>25 the Phase IIb study; is that correct?</p>	<p style="text-align: right;">61</p> <p>1 A. That is correct.</p> <p>2 Q. And Option 3 did not include a</p> <p>3 480 milligrams per day dosing arm; is that correct?</p> <p>4 A. That is correct. It was not in Option 3.</p> <p>5 Q. Were --</p> <p>6 Do you know if any of the patients were given a</p> <p>7 dose of 480 milligrams per day as part of the Phase</p> <p>8 IIb study?</p> <p>9 A. Not per protocol.</p> <p>10 Q. Okay. In other words, BG --</p> <p>11 MS. SPIEGEL: Strike that.</p> <p>12 BY MS. SPIEGEL:</p> <p>13 Q. In other words, Biogen never drafted a</p> <p>14 Phase IIb protocol that included patients receiving</p> <p>15 480 milligrams per day, did it?</p> <p>16 A. It was not the C-1900 study that would</p> <p>17 include a 480 mg per day dose in their Phase IIb.</p> <p>18 Q. So Biogen chose to prioritize testing a</p> <p>19 720 milligrams per day dosage over a 480 milligram</p> <p>20 per day dosage in Phase IIb study, correct?</p> <p>21 A. I would not phrase it as "prioritize."</p> <p>22 There was no indication or discussion of</p> <p>23 prioritizing 720 mgs per day.</p> <p>24 Q. Nonetheless, the Phase IIb study</p> <p>25 contained a 720 milligram per day dosing arm and did</p>

<p style="text-align: right;">98</p> <p>1 trial?</p> <p>2 A. Could you be specific by what you mean by</p> <p>3 "approved"?</p> <p>4 Q. It was the final clinical protocol.</p> <p>5 A. The -- I don't think I was on the team</p> <p>6 when the final clinical protocol was approved, so I</p> <p>7 don't think I can speak to that.</p> <p>8 Q. Okay.</p> <p>9 In paragraph 52 of your declaration, you stated</p> <p>10 that you were "Still exposed to information related</p> <p>11 to BG-12 after you left the BG-12 program in</p> <p>12 July 2006."</p> <p>13 When did you stop receiving information about</p> <p>14 BG-12?</p> <p>15 A. General information that all program</p> <p>16 managers -- clinical program managers -- received on</p> <p>17 distribution lists I would continue to get, and they</p> <p>18 would have general status type of updates for BG-12.</p> <p>19 So for as long as I was a program manager,</p> <p>20 there was general information about BG-12 that I was</p> <p>21 copied on.</p> <p>22 Q. So that would include up to the time that</p> <p>23 you left Biogen in 2013?</p> <p>24 A. No. I was not a program manager --</p> <p>25 Q. So would --</p>	<p style="text-align: right;">99</p> <p>1 A. -- for all of that time.</p> <p>2 (Pause)</p> <p>3 THE WITNESS: 2007.</p> <p>4 BY MS. SPIEGEL:</p> <p>5 Q. 2007?</p> <p>6 Well, in 2007, you changed from a program lead</p> <p>7 to a senior manager of clinical operations, so that</p> <p>8 would be --</p> <p>9 A. Changing into the line management role.</p> <p>10 Q. So that's when you stopped receiving</p> <p>11 information on BG-12?</p> <p>12 A. That's when I stopped receiving regular</p> <p>13 information that all program managers would receive</p> <p>14 on BG-12.</p> <p>15 I would still hear some information on BG-12 in</p> <p>16 general meetings where they did status updates or</p> <p>17 from people on my -- who reported to me that worked</p> <p>18 on the BG-12 studies.</p> <p>19 Q. But you didn't receive formal</p> <p>20 communications, internal memos or --</p> <p>21 A. No. I would not.</p> <p>22 Q. It was just chat?</p> <p>23 A. Yes.</p> <p>24 Q. Okay. I have two last questions.</p> <p>25 A. Okay.</p>
<p style="text-align: right;">100</p> <p>1 Q. At any time during the breaks today, did</p> <p>2 you discuss your testimony with counsel?</p> <p>3 A. No, I did not.</p> <p>4 Q. Did you overhear any discussions</p> <p>5 concerning your testimony?</p> <p>6 A. No, I did not.</p> <p>7 MS. SPIEGEL: Thank you.</p> <p>8 THE WITNESS: Thank you very much.</p> <p>9 MR. FLIBBERT: I have no questions.</p> <p>10 Thank you.</p> <p>11 (Thereupon, the deposition was</p> <p>12 concluded at 1:52 p.m.)</p> <p>13 (The exhibits were retained by the</p> <p>14 shorthand reporter to be attached to the</p> <p>15 transcript.)</p> <p>16</p> <p>17</p> <p>18</p> <p>19</p> <p>20</p> <p>21</p> <p>22</p> <p>23</p> <p>24</p> <p>25</p>	<p style="text-align: right;">101</p> <p>1 CERTIFICATE OF REPORTER</p> <p>2 I, Cheryll Kerr, a Registered Realtime Reporter</p> <p>3 and Notary Public in and for the Commonwealth of</p> <p>4 Massachusetts, the officer before whom the</p> <p>5 proceedings were taken, hereby certify that the</p> <p>6 foregoing transcript is a true and accurate record</p> <p>7 of these proceedings; that said proceedings were</p> <p>8 taken in stenotype by me on the 24th day of August</p> <p>9 2016, commencing at 9:50 a.m., ending at 1:52 p.m.</p> <p>10 I further certify that present on behalf of</p> <p>11 Coalition for Affordable Drugs V LLC, et al. was</p> <p>12 Carol A.
